# University of Engineering & Management

GOOD EDUCATION | GOOD JOBS

Jaipur ■ Kolkata

Own University of Institute of Engineering & Management (IEM),  
Salt Lake, Kolkata established by Act of State Govt. & u/s 22 of  
UGC Act, Ministry of HRD, Govt. of India

[www.uem.edu.in](http://www.uem.edu.in)

think no  
further...

I will emulate IIT, Kharagpur culture  
in IEM & UEM

◀ **Prof. Dr. Satyajit Chakrabarti**

The Chancellor, UEM  
IIT, Kharagpur Alumni

Success is a journey...  
not a destination.

## About Us

University of Engineering & Management (UEM) Jaipur was established by Act No. 5 of 2012 of Govt. of Rajasthan. University of Engineering & Management (UEM) Kolkata was established by Act XXV of 2014 of Govt. of West Bengal. UEM is established under section 22 of the UGC Act and is promoted by Institute of Engineering & Management Trust.

In the past 10 years, students of IEM are passing out with 1 to 2 jobs per student. The same story is being repeated for the UEM for both its founding batch of 2015 and the current batch of 2016. Students have passed out with 1 to 2 job offers on average. Highest campus offer was Rs 15.5 lacs per annum.

University of Engineering & Management (UEM) offers higher education courses in Engineering, Management, Medicine and Science. This is a pioneering achievement where an Eastern India based educational institution has established Universities starting from Eastern India to the most Western part of the country.

Institute of Engineering and Management (IEM) is the first Private Engineering College in West Bengal running Management and Engineering programs for the last 25 years. IEM has been ranked 'Outstanding Engineering Institute in eastern India' by Star News and 'Best among Private Engineering colleges in West Bengal' by The Telegraph. The Business School of IEM has been ranked A+++ by Just Careers Magazine. Due to its illustrious track record IEM received an invitation from the Government of Rajasthan to start a high quality Technical University in Rajasthan and University of Engineering & Management (UEM) Jaipur was born. Due to illustrious track record of UEM Jaipur and excellent placement for all its students and multiple job offers, the promulgation of UEM Kolkata by the Govt. of West Bengal was an unanimous decision. In the first year of its execution, UEM Kolkata enrolled the top students of the country with minimum 70% marks throughout career.

The UEM campus at Kolkata is a huge campus very strategically located at New Town near IT hub of the state just beside the IIT campus, 15 minutes drive from airport. The UEM campus at Jaipur has a 32 acre lush green area with beautiful ancient gothic architecture building and is situated at "GURUKUL", 6 kms from Chomu on Sikar Road, NH-11, Jaipur, Rajasthan.

Excellent placement offers of 1 to 2 jobs per student.

Highest campus offer was Rs 15.5 lacs per annum.

**In 2017**

**Total No. of job offers to IEM & UEM students: 1264**

**Eligible students (Engineering + Management): 1162**

**Following 50 top companies who came for campus interview till date. Many more will come before final semester in June, 2016.**

**Our students are doing higher education in:**

1. University of South California 2. Illinois Institute of Technology, Chicago 3. Saarland University, Saarbrücken, Germany  
 4. NJIT, New Jersey 5. University of UTAH, USA 6. Old Dominion University, Norfolk, Virginia Post doctoral Research Scientist 7. University of Florida - Presently working in Microsoft, USA 8. North Carolina State University, USA 9. Stony Brook University, New York

**Some of our Ex-students are working as Director / Manager:**

Name	Company	Country
Prosasty Chaudhuri	GE Capital	USA
Shraman Adhikary	Juniper Networks	USA
Somak Shome	Srei Infrastructure	India
Pradipta Kanjilal	TCG Digital	USA
Prithwijit Chaki	PWC	India
Avijit Roy	PWC	India
Sudipta Sarkar	IBM	Canada
Ananda Sinha	Microsoft	USA

#### **ADMISSION CRITERIA**

**Students getting min. 60% marks in 10+2 may apply for UEM**

Kolkata campus

Jaipur campus

**UEM believes in 'Good Education, Good Jobs'. Academic discipline is its keyword which has ensured that all students of UEM achieve quality jobs. The students having 60% marks throughout career may only apply.**

**UEM students became World Champions in Cyber Security Competition & received Award on 23rd November, 2017 from The Hon'ble Prime Minister.**

The University boasts of a faculty which is rich in both experience and recognition. It is equipped with advanced laboratories & integrated libraries having latest journals, magazines, books and with 24x7 reading support.

The University as well provides ample scope for recreational activities like playing cricket, football, carom, volleyball, hockey etc.

The University focuses on high-end research in various areas of engineering, agriculture, health sciences and management sciences. The University status helps the IEM group to have foreign collaborations with reputed Universities in USA, Canada, UK and Australia thereon collaborating with the Government and the Private Sectors for high-end research projects. IEM group has been in discussions with M.I.T, USA for collaboration to conduct M.I.T syllabus in UEM and also teachers and student exchange programs. UEM has teachers of very high caliber with IIT, IIM, XLRI, NITIE reputed alumni and teachers from top Institutes & Universities in India and abroad.

UEM is proud to have students from different parts of India and also from neighbouring countries like Nepal and Bangladesh. The University has quality vegetarian and non-vegetarian food served in its canteens which include North Indian, South Indian, Eastern and Western Indian cuisine. Exclusive hostel facilities for boys and girls are provided at the Jaipur campus which ensures total security and a strict discipline required for healthy living conditions.

## **vision**

To be globally recognized educational institution known for outcome based education and application oriented research.

## **values**

Graduate, Post Graduate and Doctoral students known for their hard work, competence, disciplined life, socially responsible professional conduct & intellectual and moral integrity.

## **mission**

To assist students to understand and enjoy seamless nature of knowledge and encourage them to apply the acquired knowledge to practical use, so that they become worthy, socially responsible good human beings sought after for their leadership qualities.

To foster creativity, innovation and excellence through example based teaching-learning process imparted in the most simple and easily comprehensible way.

To continuously upgrade knowledge base of our manpower, improve infrastructure and use of latest technology/pedagogical tools, and update curriculum through periodic feedback from stake holders to enable students to meet professional requirements and their expectations.

## **Recognition**

### **UEM is Government Approved and UGC recognised University**

- University of Engineering & Management (UEM) is a fully government approved and UGC recognised University with the right to confer degrees as per the u/s 22 of the UGC Act and as per UGC nomenclature of the degrees.
- University of Engineering & Management (UEM) is a full-fledged university and not a deemed university.
- University of Engineering & Management (UEM) is recognised by Ministry of HRD, Government of India.

# Why University of Engineering & Management?

- Case Studies
- Research based teaching
- Support to Entrepreneurial ideas and ventures
- Placement with best global companies
- Highly qualified faculty members with strong industry experience
- Focus on organizing Conferences, Seminars, Workshops and Colloquiums
- Focus on Global Linkages
- Pollution Free Campus
- Business incubation centers and consulting exposure to students
- Focus on Research, Development and Consulting
- Integrated Libraries with 24X7 reading support
- Good Background of publications in National and International Research Journals
- Ragging Free Campus
- Holistic Personality Development to imbibe positive attitude and social responsibility
- International Exposure through visiting faculty from reputed foreign business schools / universities. Highly evolved campus industry Interface
- Spacious Seminar Hall
- Life Skills Training (LST)
- Focus on Holistic Development of students
- Excellent Nationally and Internationally acclaimed faculty

\*As per UGC & Supreme Court Directive, Ragging report in the year 2016-17 is nil.

## Scholarship

### Scholarship for Programmes after 10+2

#### 100% scholarship

Eligibility: 95% aggregate and above  
in CBSE / ICSE / State Boards of Class XII

#### 50% scholarship

Eligibility: 90% aggregate and above  
in CBSE / ICSE / State Boards of Class XII

#### 25% scholarship

Eligibility: 85% aggregate and above  
in CBSE / ICSE / State Boards of Class XII

### Scholarship for Programmes after Graduation

#### 100% scholarship

Eligibility: 95% aggregate and above  
in CBSE / ICSE / State Boards of Class XII  
and 85% in Graduation

#### 50% scholarship

Eligibility: 90% aggregate and above  
in CBSE / ICSE / State Boards of Class XII  
and 80% in Graduation

#### 25% scholarship

Eligibility: 85% aggregate and above  
in CBSE / ICSE / State Boards of Class XII  
and 75% in Graduation

### These scholarships do not include Refundable security deposits / Boarding and Lodging Cost

**Scholarships** are limited. The mentioned percentages are the only eligibility to apply for scholarship. Candidates securing above percentages are required to fill UEM Scholarship Application form. In absence of relevant mark sheets, direct admission and scholarship application will not be considered. Final decision of granting scholarship is with the Scholarship Committee.

**Scholarship** is granted on semester basis and continuation in second and further semesters of the program is subject to scholarship policy. To continue availing 100% scholarship, a student must secure position in top 5% of the merit list of the program. For continuation of 50% and 25% scholarship, a student will have to secure position in top 10% of the merit list of the subsequent semester.

# Media Accolades for UEM

**Education at its best**

Satyajit Chakrabarti director of Institute of Engineering and Management, Kolkata recently hosted a conference to announce an unique initiative of an entrepreneur from Bengal securing the University of Engineering and Management(UEM) in Jatin. This is a landmark event where a Bengal based educational organization has opened a University in Western India, the university will offer higher education courses in Engineering, Management, Medicine, Law, Sciences and Arts.

one-stop Banking Services centre housing multiple ATMs, Cash Deposit Machine (CDM), Self Service Kiosk (SSK) and Coin Vending Machine (CVM) which can be used

India's prime robotics exhibition. The two day exhibition witnessed over 6000 students, including participants, from different colleges across India.

This exhibition was an endeavour to engage students and give the budding enthusiasts a peek into the domain of Robotics Engineering. In this event there were demonstrations of various kinds of Talking, Listening and Sensing Robots. There were also exhibits of mobile robots capable of navigating in a museum and extracting information from a museum's various exhibits in the museum.

Robots will be the most booming sector in the world in the coming 10 years and Robots will be used in all purposes like Surgery, Detonation etc. But to build robots capable of such work we will need a huge amount of trained manpower in the field. So it is expected that Robotics will open up

वैष्ण. शह के उदयपरिया मोड के घनिमिट्टीं और इंग्लॅन्डिंग एड मेजमेंट परिसर में स्थित वाकि तकनीकी मेले के उद्याटन करते हुए उत्तमसंग्रह के गोपनीय संग्रह दस ने कहा कि उत्तम तकनीकी नान ब्राण कर देस के लिए उत्पादन में लाभ लाकि भारत भी विकासरत्त दरों की आवश्यकता पैदा में खड़ा हो सके। कार्कम की अधिकता विधायक भवान विधायक सभी ने की। एप्रिलमें अमेरिका कम्पनी, नटवरलसोर्स, वाइचर्च चेस्टरबर्ग प्रो. सुकरमन नायक, प्राचीन प्रो. पीके मिशा, प्रो. सत्यजीत चतुर्वाला, विजयजय चट्टर्जी, रमपत्न महादेवी, गोपन विधायक शाम विधायक अंतिमी थे। कार्कमें से विधायक सदस्यों के खिलाफ ने भाग लिया।

## Innovation & Prizes of UEM

Students of UEM, Jaipur have developed their own multi-terrain vehicle which represented India in the prestigious International Competition - BAJA SAE.

### First Prizes at IIT, Delhi

- Students from UEM Jaipur won the first prize at Ethical Hacking championship at IIT Delhi.
- The students of UEM Jaipur have won the first prize in Robotics championship at IIT Delhi.

Student of University of Engineering & Management (UEM), Jaipur has won 1st prize across the world in IEEE Maker Project Competition. His Gaming Console was selected as the best project by IEEE.

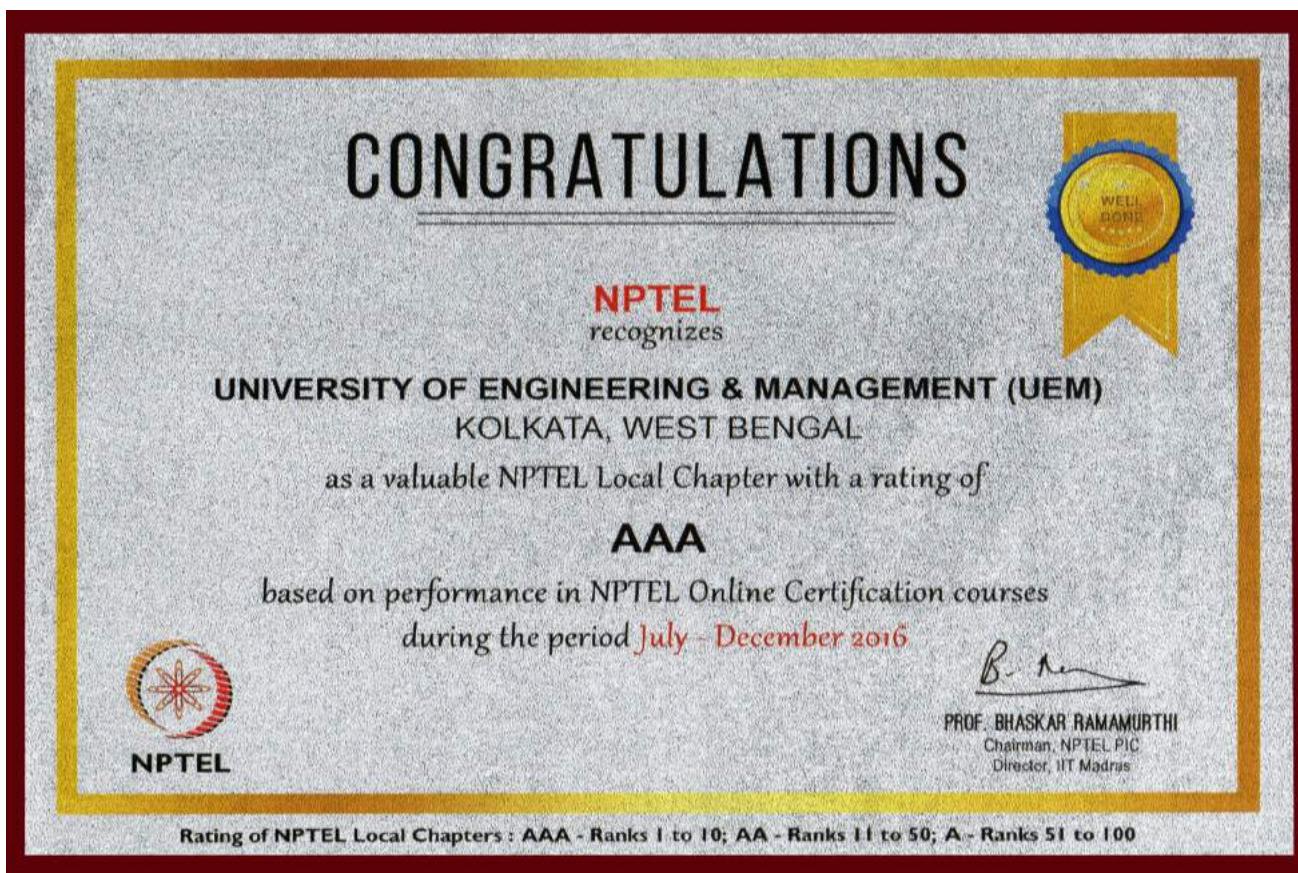

## Awards & Certificates

UEM Jaipur students won the 1st prize in the National Students' Space Challenge 2016, IIT Kharagpur Award, followed by NIT, Rourkela and IIT Kharagpur.

UEM Jaipur awarded from RCPL in association with HP, Nasscom, Microsoft, Oracle and Autodesk.

Students of University of Engineering & Management (UEM), Kolkata won the 1st prize in NPTEL, IIT Kharagpur nationally amongst all colleges of the country where various IITs also participated. Around 4 lacs registrations were there.

University as a whole won the AAA rating which is the best amongst all.

NPTEL stands for National Programme on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science.

## International Conference at Campus

"Optronix" - the International Conference on Photonics and Applied Electronics has been organized by the University of Engineering & Management (UEM), Kolkata.

Following international speakers were present at UEM Kolkata and addressed the audience :-

- 1) Prof Toyohiko Yatagai, Director, CORE, Utsonomiya University, JAPAN
- 2) Prof Vasudevan Lakshminarayanan, Professor of Optometry (Vision Science), Physics, Electrical and Computer Engineering and Systems Design Engineering, University of Waterloo, CANADA
- 3) Prof Motoharu Fujigaki, Professor, Human and Artificial Intelligence Systems, Graduate School of Engineering, University of Fukui, JAPAN
- 4) Prof Takeo Sasaki, Professor, Department of Chemistry, Tokyo University of Science, JAPAN
- 5) Prof Tigran Galstian, Professor, Department of Physics, Centre of d'optique, photonique et laser (COPL), University of Laval, Quebec, CANADA

## Beyond Learning...

## Professor says...

The students of UEM are very well-disciplined and academic minded. They are very inquisitive in the classes and I strongly believe that students of UEM are comparable to students of any top class University of the world.

### Prof. Dr. B. B. Ghosh

Emeritus Professor, IIT Kharagpur  
Emeritus Professor, Jadavpur University  
Fellow, Society of Automobile Engineers (SAE), USA  
Department of Mechanical Engineering

The University of Engineering & Management is characterized not only by the excellent education they offer today, but also by the 25 years of marvelous history behind the group. Itinerant the emerald, sprawling campus of UEM, you would always likely feel connected to the advancement of science and technology.

### Prof. Dr. Subrata Saha

Department of Mathematics

The birth of University of Engineering & Management (UEM) dates back to 2011 and by now it has established itself as a premier University in the field of education, research and training. The campus is full of greens and the environment is homely with excellent hostel, mess and canteen facilities. Highly qualified and competent faculties are available round the clock to guide the students. The faculty members play a very instrumental role in enriching the viable potentialities of the students and making them confident to face real life situations.

### Prof. Gora Chakraborti

IIT Kharagpur  
Department of Mechanical Engineering

UEM is 'THE DESTINATION' for all aspiring engineers and managers of the country. It is a fabulous place to assimilate technical skills and knowledge in an Ashramic environment. The huge University campus with most modern computing and other facilities where the students start every working day with an oath to serve the country and humanity at large makes it the best educational destination of the country.

### Prof. Dr. Rajiv Ganguly

Dean

University of Engineering & Management has come up against all odds for bearing a testimony of excellence. It is a place where academics alone plays a pivotal role and is looking forward to make a mark in the realm of academics.

### Prof. Aniruddha Mukherjee

Head, Department of Electrical Engineering

UEM is the most preferred place for students as it provides the most accommodating environment for their studies and career. It is the place of excellence in research, publications, innovations and entrepreneurship. Its concept of 'Home away from home' keeps students engaged in their life also.

Experienced and well qualified pool of faculty members keep them at their toes to keep no stone unturned to get their dreams come true. A homely environment, friendly management, lush green campus, learned teachers and all round support makes UEM an outstanding place for crafting the future of young entrants.

### Prof. Dr. Pradeep Kumar Sharma

Provost

In UEM we impart students practical knowledge useful in real world. Our students are prepared not just for good job but for better career. We always look for those students who want to learn and excel in their field and contribute some new and innovative ideas. I wish all luck to the students for better life and future.

### Prof. Dr. Ajay Sharma

Department of Mathematics

UEM focuses on holistic development of the students by a combination of both curricular and extracurricular activities. We believe that to develop a tender mind we need to go beyond class room teaching and we realize that at UEM that helps to make the students industry-ready.

### Prof. Mrinal Kanti Sarkar

IIT Kharagpur  
Department of Computer Science & Engineering

University of Engineering & Management is the best private University, established by the renowned IEM group of West Bengal. UEM has secured the position of a leader in higher education through its systematic, disciplined & most advanced technical teaching style which attracts highly accomplished students across India. The talented students of the University and the skilled & elegant faculty members engage each other in the breadth of cultural, professional, industry-oriented education which makes this University campus an ideal place for students to pursue their career. We offer most technically advanced tools to help each & every student to succeed at every level of their career.

### Prof. Dr. Madhumita Nath

Department of Physics

University of Engineering & Management has been established with the legacy of 25 years of academic excellence of IEM Group, as its founding pillar. The sole vision of UEM is to produce good technocrats with human values and Indian ethos. At the University, which is a centre of excellence, technology, science & human values are taught side by side. Skill & knowledge relevant to real world problem are inseminated to produce dynamic, socially conscious, sensitive human beings.

### Prof. Sukalyan Goswami

Head of the Department,  
Computer Science & Engineering

## Student says...

A premier university with separate hostel facility for boys and girls. Hygienic meals 3 times a day. Highly qualified faculties who are willing to help at any time of need. Spacious library with more than 9000 books.

**Debotri Dhar Chowdhury**

3rd year Student

World class University supporting world class learning with qualified faculties. Large library which is open for students 24hrs. x 365 days. Good hostel facilities.

**Saumya Singh Raghuvanshi**

3rd year Student

Lush green campus with 3 canteens serving Chinese, Italian, French, South-Indian, North-Indian & Bengali cuisine. Good hostel and mess facilities. Great learning environment. Huge library with more than 9000 books and desktops for reading.

**Nidhi Podder**

3rd year Student

UEM stands for University of Engineering & Management. It is one of the world class private universities having healthy, fresh lush green campus. The faculties are very available to the students. They help students to be fit for any competitive exams. UEM is having a great infrastructure of library consisting of great collection of books. In a year UEM undergoes several fests, where students usually show their talents in any aspect. So, in one word we can say "It is a holy place of knowledge".

**Sayak Muherjee**

2nd year Student

"Give a man a fish and he will not starve for one day. Teach a man to fish and he will never stay hungry in his life." University of Engineering & Management teaches the students to "fish" in the career market. With its highly qualified professors and latest lab setups, the students are automatically motivated to set their goals high and work hard enough to reach them.

**Kaustab Pal**

3rd Year Student

University of Engineering & Management (UEM) is a lush green campus provided with modern infrastructure building including separate hostel facilities for boys and girls with superb academic building. UEM is also known for the best education given to the students. Here, along with education, students are being trained in co-curricular activities too. For instance, students show a lot of interest in the fields of football, cricket, basketball and many more. They are also trained for competitive exams to compete with others. UEM shows a lot of interest in soft skill so that each student can be more interactive with others. Thus, University of Engineering & Management is a temple to us.

**Shrinjoy Kar**

2nd year Student

It is a full package of study, fun, sports and having a good future.

**Santanu Nayek**

3rd Year Student

I did my diploma and after that I came here for higher studies. What I feel is the quality of education is very good here than other colleges.

**Dipak Das**

3rd Year Student

At UEM, knowledge is not kept limited to facts and figures but it is imparted as a source that inspires innovation.

**Prasad Mukherjee**

3rd Year Student

Here imagination and creativity can be melted together to produce a good engineer. The teachers over here are very much helpful.

**Aninda Sankar Sukla**

3rd Year Student

“ It is a holy place  
of knowledge ”

## Guardian says...

UEM offers suitable platform and opportunities for its students to showcase their skills and talents, be it academic or co-curricular. UEM also provides proper acclamation to students by awarding them with scholarships for their academic performances. UEM faculty members have played a very vital role in my daughter's overall development by their complete support and guidance and training. UEM also provides exposure for students to tackle the present job market scenario in future.

### **Mr. Pradip Kumar Chakraborty**

Guardian of Moitrayee Chakraborty  
3rd Year ECE

As a father, I will consider my decision of getting my lad admitted to UEM as one of the best decision of my life. In this university the most important activity is taking care of students. It may be in academic cases or may be in some other cases, but the students welfare is the most important. All the teachers are very caring to the students. They take regular classes as well as extra classes whenever the students require. Apart from that, the placement record of both IEM and UEM group is also exceptional. So, as a father I am proud of my decision and will certainly advice my friends and family to follow my path.

### **Mr. Supriya Bhattacharjee**

Guardian of Sayak Bhattacharjee  
2nd year ECE

It is my honor to say that the faculty members of UEM are no doubt the best. Along with that I want to add one more thing - the student teacher relationship in UEM. The individual interaction of student-teacher, caring of individual student is mostly not seen now-a-days, which is an eye soothing for a guardian.

### **Mr. Santu Rakshit**

Guardian of Shayan Rakshit  
1st Year ME

The University nurtures potential in every student and helps them achieve their career goals. The environment is very good and students keep facing challenges that help them improve in the long run.

### **Subhendu Pal**

Guardian of Kaustab Pal  
3rd Year ECE

Here I have seen my son being shaped to what I have always dreamt of him; professional engineer and a responsible human being.

### **Prabir Mukherjee**

Guardian of Prasad Mukherjee  
3rd Year CSE

I have seen my son grow into a passionate engineer during the time he spent in the University.

### **Dibya Sankar Sukla**

Guardian of Aninda Sankar Sukla  
3rd Year ECE

Teacher-Guardian meets are frequently organized by the university

## International Students

"Our University has got collaboration with foreign Universities and Institutes. Few students from Europe visit our institute and study as our students for a semester. Students from our institute also go to European institutes and study for a semester".

## Facilities on Campus

- Wide Range of IT enabled services
- Wifi Campus
- Spacious Classrooms in amphitheater style
- State of the art Workshops and Laboratories
- Multi Gym Facilities
- Cultural Activities
- Outdoor & Indoor Games
- Medical Facilities
- Multi - Cuisine Cafeteria
- Convenient Transport
- Exclusive Hostel Facilities
- Pollution Free Environment

### **Voluntary Declaration and Undertaking**

We, the undersigned signatories as student and guardian hereby agree to abide by all rules and regulations which are in force or will be framed from time to time by the University of Engineering & Management, authorities. We also understand that the University of Engineering & Management is private self-financed and hence timely payment of fees is of paramount importance. We agree and undertake to pay fees within seven days of commencement of the semester, failing which the student's name will be struck off from the Universities student register and consequently he/she will cease to be a student of the University from that date. He/she can pay readmission fee of Rs. 10,000.00 and regularise studentship.

Any damage caused to University of Engineering & Management, property will have to be replaced/purchased/compensated by the student immediately, failing which his/her name will be struck off from the roll of the University. Bunking of classes, creating noise, which may disturb smooth functioning of the University will be dealt with seriously and will result in disciplinary action against the student. During studentship of the University smoking, consuming or possessing alcohol or forbidden drug will result in suspension for one full semester. During class hours no student is allowed to loiter around or sit in canteen. Any graffiti on University wall is punishable.

We further undertake not to participate or organize any type of organizational activities without the written permission of the University of Engineering & Management authorities during the study period. Any type of indiscipline as mentioned above on the part of the student will result in his/her summary expulsion from the University and the decision of the authorities of the University will be final and binding on all concerned. If anybody individually or collectively indulge in indiscipline, the authorities may suspend classes sine-die. All both boys and girls are to come to the University of Engineering & Management in uniform.

We are aware that students are required to attend 100% classes. Up to 20% absence may be permitted by the University of Engineering & Management for medical reasons to be substantiated with documents. If the attendance is less than 80%, the student will not be allowed to sit for any exams and he/she will be asked to repeat the academic year. We have understood that failure to attend classes affects students in many ways such as;

(i) Difficulty in following subsequent lecturers. (ii) Proportionate deduction of internal marks. (iii) Poor attendance will result in refusal of placement assistance.

We also understand that University of Engineering & Management are secular in nature and no religious activities or religious dress of any kind will be permitted within the campus at any time.

We have fully understood that University of Engineering & Management provide placement training & guidance but do not assure employment to students. We are fully aware that employment is ultimately the responsibility of the individual student and depends on a variety of factors such as state of the economy, attitude of the student, smartness, technical/managerial knowledge, personal skills and overall academic performance.

We were informed by the University of Engineering & Management during admission that Soft Skill Development Programme (SSDP) and Higher Career Training Programme (HCTP) are optional but IEM Group's experience showed that students with Soft Skill Development Programme and Higher Career Training Programme perform better during placement competitive examinations & interviews. We want to take these training.\* (Once a student choose this option, it is for full course).

We request you to reserve one seat in AC luxury hostel accommodation for the total course period (optional). We agree to pay Rs. one lakh per semester as fees towards seat rent, breakfast, dinner & laundry fees. Fees once paid is non-refundable under any circumstances. (Once a student choose this option, it is for full course).

On any matters whatsoever pertaining to the University of Engineering & Management e.g., amount of fees, discipline, code of conduct, academic matters, timings etc., the decision of the academic head of the University will be final and binding on us.

We hereby undertake and agree to the admission being subject to jurisdiction of Barasat court i.e. under jurisdiction of 24 pgs (North), WB.

We have carefully studied the rules and regulations of admission as given in the prospectus and explained to us and we shall accept the decision given by the academic head as final and binding.

We shall conduct ourselves as per the rules, regulations and norms of the University failing which the student is liable to be debarred from the University.

We have also read, understood and accepted the code of conduct and the notification displayed on the general Notice Board of the University and we shall take note of the communications put from time to time.

All informations and declaration made in the application form and documents submitted as per rules are correct and true to the best of our knowledge and belief. Admission will be treated as cancelled, if documents found later as wrong.

Admission to all courses are subject to registration by University. In case of refusal of registration of a student by the University concerned or in the event of withdrawal of affiliation, liability of the authorities will be limited to refund of fees only.

We have not paid any capitation fees for admission to Universities.
